Sonal,

Yesterday, my firm was retained to protect Covenant Financial Services, LLC's legal rights and commercial interests with respect to Twitter's document subpoena (issued August 7, 2017). Covenant Financial Services, LLC is currently winding down, but it believes it can produce its non-privileged, responsive documents within the next 30 days. I'll be in touch next week, after I'm able to visit with my client about its documents.

All my best,  
Sam
